**SPONSORSHIP PACK**

## **WHAT IS FRONT END NORTH?**

Front End North is a one-day, single track conference for Front End Developers and Designers. It will be a diverse, community-focused, non-profit conference. Front End North will be held in early 2020 at an iconic venue in the centre of Sheffield.

Front End North has run successfully twice before, in 2018 and 2016, both conferences attracted over 200 attendees from all over the world.

Previously run by local company Make Do, Front End North is now in the hands of the team behind [Front End Sheffield](#) - we're 5 local Front End Developers (JP Archer, Amy Benson, Katie Fenn, Laura Kishimoto and Ian Parr) who've got together to form a company to run Front End North as a non-profit making conference.
